MW3.biz International Launches MW3BIZ Token

*UK-Registered AI Services Company Deploys Enterprise Utility Token on Solana Blockchain,
Combining Technology Innovation with Social Impact Mission*

HULL, ENGLAND — December 2025 — MW3.biz International Business Ltd., a UK-registered AI-Driven Managed Service Provider, announces the launch of MW3BIZ, an enterprise utility token built on Solana's SPL Token-2022 standard. The token provides tiered access to AI-powered business services through the MW3.biz Business Hub ecosystem.

About MW3BIZ Token

MW3BIZ represents a new standard for professional utility tokens, designed for real-world business utility rather than speculation. The token features a fixed supply of 333.333 trillion tokens with permanently revoked mint authority, ensuring no additional tokens can ever be created.

Technical Specifications

- **Network:** Solana Mainnet (SPL Token-2022 Standard)
- **Total Supply:** 333,333,333,333,332.992 (Fixed)
- **Mint Authority:** Permanently Disabled
- **Freeze Authority:** Disabled (Maximum Holder Protection)
- **Metadata:** Immutable - Permanently Locked on Arweave

Tokenomics - "Perfect Trinity" Distribution

- **Ecosystem Development:** 33.33% - Service incentives and platform development
- **Public Distribution:** 33.33% - DEX liquidity and community allocation
- **Company Treasury:** 22.22% - Operations and strategic reserves
- **Team & Advisors:** 7.77% - 48-month vesting schedule
- **Social Impact Fund:** 3.33% - Child protection initiatives

About MW3.biz International

MW3.biz International Business Ltd. (UK Company #12832838) is an AI-Driven Managed Service Provider operating on a "purpose before profit" philosophy. Unlike traditional MSPs, the company redistributes 67% of revenue to its community while maintaining a commitment to fighting child exploitation through dedicated social impact initiatives.

Company Metrics

- **Years in Operation:** 5+ years (since 2020)
- **Professionals Served:** 10,000+
- **Countries Reached:** 150+
- **AI Microservices:** 100+ services across 8 categories
- **Community Revenue Share:** 67%

Leadership Statement

"I didn't build MW3.biz to compete with other tech companies. I built it to prove that business can be a force for healing—that the same systems used to exploit can be redesigned to protect and empower."

— Will Lisil, Founder & CEO

Will Lisil is a technology entrepreneur whose personal journey from trauma to purpose drives MW3.biz's mission-first approach. A survivor of childhood sexual slavery, Will has transformed his experience into a lifelong commitment to protecting children and empowering others through technology. His previous venture, PopHits.Co, served over 10,000 independent artists across 150 countries with revolutionary pricing of \$0.14 per song per year.

Platform Access & Utility

MW3BIZ tokens provide direct access to the MW3.biz Business Hub ecosystem through a revolutionary 13-tier membership system with 33 progressive levels. Token holders benefit from AI services across content creation, business intelligence, security, and automation, with discounts ranging from 0% to 50% based on holdings.

Service Pricing

- **Platform Credits:** 1 USD = 1 Million Credits
- **AI API Calls:** 1,000 MW3BIZ = 100 API calls
- **Professional Consultancy:** 100,000 MW3BIZ = 1 hour

Key Differentiators

- **Fixed Supply:** 333.333 trillion tokens with permanently revoked mint authority
- **No Freeze Authority:** Holder assets cannot be frozen - maximum holder protection
- **Immutable Metadata:** Token information permanently locked on Arweave blockchain - cannot be altered or manipulated
- **UK Regulatory Compliance:** Issued by registered UK company with ICO registration (ZB668589)
- **Blockchain Transparency:** All transactions verifiable on Solana blockchain
- **Social Impact:** 3% of all revenue dedicated to child protection initiatives
