Enterprise Utility Token on Solana Blockchain
Powering AI Services & Business Infrastructure

Solana SPL Token-2022 • ③ 333.333 Trillion Fixed Supply • No Freeze Authority

Token Address: 5zRaywZuw1dES8tkhRVD9UuchM2Q8dYfWGiDLfucifnA

Executive Summary

MW3BIZ is an enterprise utility token built on Solana's high-performance blockchain, designed to power comprehensive business infrastructure through the MW3.biz ecosystem. As a pure utility token, MW3BIZ provides tiered access to AI services, professional consultancy, and enterprise-grade business management tools.

Unlike speculative cryptocurrencies, MW3BIZ is designed for real-world business utility with transparent governance, fixed supply economics, and regulatory compliance as core principles.

Key Differentiators

- **Fixed Supply:** ③ 333.333 trillion tokens with permanently revoked mint authority
- **No Freeze Authority:** Holder assets cannot be frozen - maximum holder protection
- **SPL Token-2022:** Built on Solana's latest token standard with advanced features
- **12-Tier System:** Permissionless membership with 33 discount levels based on holdings
- **Immutable Metadata:** Permanently locked on Arweave blockchain
- **UK Regulatory Compliance:** Issued by registered UK company with ICO registration

Token Specifications

Core Technical Details

Specification	Value
Token Name	MW3BIZ
Symbol	MW3BIZ
Network	Solana Mainnet
Standard	SPL Token-2022
Decimals	4
Total Supply	③ 333,333,333,333,332.992 (333.333 Trillion)
Token Address	5zRaywZuwldES8tkhRVD9UuchM2Q8dYfWGidLfucifnA

Authority Configuration

Authority	Status
Mint Authority	PERMANENTLY DISABLED (Fixed Supply)
Update Authority	DISABLED
Freeze Authority	DISABLED
Token Creation Date	August 12, 2025
UI Symbol	③ (Unicode U+2462 - Circled Digit Three)
Web3 Domain	MW3BIZ.token
Metadata Status	Immutable - Permanently Locked on Arweave

Tokenomics

Distribution Model - "Perfect Trinity"

MW3BIZ implements a balanced distribution framework designed for long-term ecosystem sustainability and community alignment.

Category	Allocation	Purpose
Ecosystem Development	33.33%	Service incentives, platform development, community rewards
Public Distribution	33.33%	DEX liquidity, community airdrops, public sales
Company Treasury	22.22%	Operations, marketing, strategic reserves
Team & Advisors	7.77%	Core team, advisors, future hires (48-mo vesting)
Social Impact Fund	3.33%	Child protection initiatives, education, charity

Vesting Schedule

Parameter	Value
Duration	48 months
Cliff Period	12 months
Start Date	September 17, 2026
Platform	Streamflow Protocol

Governance Structure

6-Member Executive Squad Multisig

MW3BIZ implements transparent on-chain governance through a 6-member executive squad multisig with a **3/6 threshold** for major decisions. The Governor tier (Tier 13) is reserved for these 6 partner businesses who collectively form the governance body.

Role	Responsibility
CEO	Strategic leadership, compliance
CTO	Technical architecture, security
CFO	Financial management, treasury
CCO	Legal oversight, risk management
CMO	Brand development, community
Admin/Operations	Daily operations, coordination

Multisig Address: HicdDqeWN23rRP4Dz1CuSCst861ZC8NeY3NcbFoUiYUN

Dynamic Tier System

MW3BIZ implements a revolutionary dynamic tier system with **12 user tiers plus 1 Governor tier (13 total)** based on token holdings. The system features **33 progressive membership levels** with AI-managed thresholds and protection periods guaranteeing tier benefits.

Tier Structure & Benefits

Tier	Levels	Token Range	Discount	Protection
1-2	1-6	1M - 5M	0-3%	120 days
3-4	7-12	5M - 100M	3-8%	90-120 days
5-6	13-18	100M - 500M	8-15%	90 days
7-8	19-24	500M - 5B	15-25%	60 days
9	25-27	5B - 10B	25-35%	60 days
10-11	28-31	10B - 50B	35-45%	30 days
12	32	50B - 500B+	45-50%	30 days
13 Gov	33	Platform Governance	Ultimate	N/A

Platform Benefits by Tier

- **Tiers 1-3:** Basic platform access, community features, essential tools, governance voting (0.05-0.2%)
- **Tiers 4-6:** Enhanced tools, priority support, advanced analytics, increased governance (0.1-0.3%)
- **Tiers 7-9:** API integrations, custom workflows, enterprise features, significant governance (0.3-1%)
- **Tiers 10-12:** White-label options, dedicated account management, major governance weight (1-10%)
- **Tier 13 (Governor):** Full platform control, ultimate governance authority, reserved for 6-member executive squad

Utility & Use Cases

Platform Access

MW3BIZ tokens provide direct access to the MW3.biz Business Hub ecosystem, unlocking a comprehensive suite of AI-powered services and business tools.

- **AI Services:** 16 microservices across content creation, business intelligence, security, and automation
- **Professional Consultancy:** Access to verified business consultants and experts
- **Enterprise Tools:** Business management, analytics, and workflow automation
- **Priority Support:** Tiered support levels based on token holdings

Service Pricing Model

Ultra-affordable pricing democratises access to enterprise-grade services:

Service Type	Pricing
Platform Credits	1 USD = 1 Million Credits
AI API Calls	1,000 MW3BIZ = 100 API calls
Professional Consultancy	100,000 MW3BIZ = 1 hour
